

SQ Series

Square Surface Mounted H.I.D.

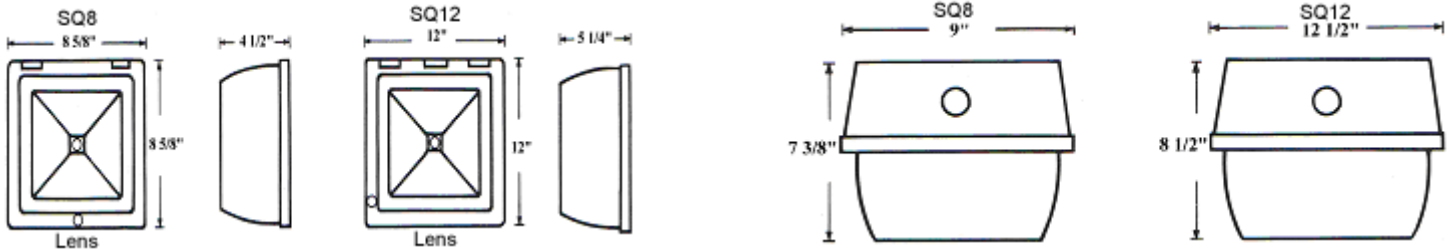

Application:

- Correctional Facilities
- Recreation Areas
- Institutions
- Public Areas
- Schools
- Hotels
- Shopping Centers
- Terminals

Construction: Die cast heavy gauge aluminum. Five stage powder coated finish. A neoprene gasket eliminates moisture, dust, and insects. Standard or tamper resistant spanner head. The diffuser is a multi patterned injection molded clear prismatic polycarbonate with UV inhibitors to minimize discoloration. Can also be supplied in white prismatic. Drill points for maximum security installations.

Electrical: Meets all UL Requirements for wet locations for ceiling mount and damp locations for walls.

Mounting: Wall or ceiling mount for indoor or outdoor application
