

Tall Pack Outdoor Series

Wall Pack

The LED Wall Pack Fixture is ideal for a multitude of outdoor applications. It offers maintenance free general and security lighting for loading areas, driveways, parking areas and storage areas, delivering uncompromising reliability for well-lit secure areas. Featuring LED technology, it offers high efficiency with significant energy savings compared to other technologies. It is rated for 35,000 hours and eliminates the need for frequent lamp replacements.

- Polycarbonate Body with Frosted Lens
- Bronze Finish
- 81 CRI
- ETL Listed - Wet Location
- Built-in Photocell

Canopy Outdoor Surface Mount

Vandalproof

The LED outdoor flood light fixture uses less energy and puts out a brighter, more aesthetically pleasing light than halogen, metal halide or high pressure sodium lights. Perfectly suited for retail, office and hospitality facilities. It's a perfect solution for parking lot lighting, security lighting or outdoor general illumination.
