Description

With built-in LED lights, this wall sconce is designed to provide years of maintenance-free use in residential or commercial locations. The elegant metal body with matte black finish holds a unique raindrop glass panel. The hidden LEDs refract through the drops in the panel, creating a brilliant and peaceful glow. Designed for indoor or outdoor installation.

This stylish and practical fixture is ideal for illuminating foyers, entrance ways, common areas, and balconies. The ADA-compliant design allows for installation in commercial and public spaces requiring handicapped accessibility. ETL Listed for wet location installation. Mounting hardware and installation instructions included.
